Watsonia RSL Scholarships

Each year the Watsonia RSL provides scholarships to each of the schools in the local area. The guidelines for selecting worthwhile recipients are based around the qualities of Mateship, Leadership and Community Spirit. Congratulations to Sallyanne and Jake who received their award and a \$100 scholarship each this morning, following the Remembrance Day Ceremony at Watsonia RSL.

Deb's Farewell

A reminder that Debbie Tully will finish her teaching career at Golf Links next Wednesday, 18 November. We will be farewelling Deb with a special assembly commencing at 3.00pm. Following this parents and students are invited to 'drop-in' to the science room for a casual good-bye. If you cannot be around on the Wednesday afternoon, Deb is more than happy for you to drop in to the Science room on Tuesday after school. Judy Henderson will be continuing the Science program for the remainder of the year. We are currently in the process of finding a Science Teacher for 2010 to continue the extremely successful and valuable science program that Debbie has developed at Golf Links.

Farewell and Thanks

As my last week at RGLPS looms I wanted to thank the School Community for helping make my years at Golf Links so pleasurable and memorable. My nine years have been full of variety – starting as a full time classroom teacher in the Junior School and ending as a part time specialist with the luxury of my own Science Room. I couldn't think of a better way to finish my teaching career.

Throughout that time I have been lucky to have fantastic support from so many parents. I think back to us building the Vegie Patch, our performance in the Science Drama Awards, after school Frog Watch evenings, the 2008 School Production, our inaugural Sustainable Living Festival – the list goes on!

When I reflect I realise how much I've enjoyed working with a great bunch of dedicated colleagues, friendly, supportive parents and

carers, and ABSOLUTELY FANTASTIC STUDENTS! Farewell and thanks.

PS. I'm always asking students to investigate their ideas – not sure about this one though??

MUSIC NEWS

Band Performance

On Thursday 5th November, both the combined band and concert band performed in front of Sherbourne Preschool. All the kinder-kids enjoyed the performance thoroughly, especially when they had the chance to conduct the concert band. Both the bands played very well and we all enjoyed it at the same time. Thank you to Aaron and Monica for performing and conducting.

Kah-Lin, Ellie and Grace

Citizenship Choir

Congratulations to the nine grade 5/6 students who performed at the Banyule City Council Citizenship Ceremony. It was a great honour for these students and they performed beautifully. Well done to Chantel (captain), Rylee, Emily, Michaela, Henry, Gabrielle,

Shanei, Grace Meagher and Brodie, and also to Gene, who was unable to attend the night.

Carols Choir

Last week students from grades 3 to 6 were invited to join a Carols Choir, who will be performing at the RGLPS Christmas Carols in December. Please encourage any grade 3 to 6 students who love to sing to join. It is a great opportunity for the kids to sing some more difficult carols and to celebrate the musical talent of the students in our school!

CURRICULUM NEWS

RE News

For the last two weeks the Grade 3/4 CRE classes have been having a coin collection for World Vision to help the people in Indonesia, the Philippines and Samoa who were affected by the recent devastating earthquakes and tsunami. Over 1000 people were killed in Sumatra alone. Our unit of study focused on ways of helping other people, including feeding the hungry, and how working together can make a big difference to those in need. Our combined collection has raised \$78.75 which will help provide emergency supplies like food, blankets and water, and help with long-term rehabilitation as well. Many thanks to all those who contributed, particularly to those children who gave from their canteen or pocket money! For those who may still wish to assist but missed our collection, you can donate online at worldvision.com.au or by phone on 1 300 303 440.
