

School Purchasing Card Policy

Rationale

The School Council is responsible for the financial management of the school. The introduction of the school purchasing card impacts on the School Council, as it represents another means of acquiring goods and services for the school.

Policy Statement

To utilise the benefits of a Purchasing Card whilst ensuring the schools procedures and internal controls meet the Department of Education and Early Childhood Development requirements in accordance with the Ministerial Guidelines and Directions 1-6 of 2008.

Aims

- To offer enhancements to the current methods of purchasing.
- To assist with flexibility, time saving and convenience.

Implementation

- School Council may authorise the Principal and/or other nominated staff members as Cardholders.
- Current cardholders and credit limits will be reported to School Council annually.
- All normal internal controls for use of a purchasing card will be followed with appropriate documentation completed, checked and authorised by approving officers as per DET guidelines.
- VISA cards are to be kept securely with the cardholders.
- Lost cards are to be immediately reported to the Westpac Bank and appropriate Authorising Officer by the relevant Cardholder.
- Any obvious or suspected fraud activity to be immediately reported to the Westpac Bank and appropriate Authorising Officer by the relevant Cardholder.
- Purchasing cards may be used for online purchasing subject to the usual internal control requirements.
