

PARENT PAYMENT ARRANGEMENTS

Dear Parent

Rosanna Golf Links PS is looking forward to another great year of teaching and learning and would like to advise you of Rosanna Golf Links PS's voluntary financial contributions for 2024.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to offer additional curriculum programs like our stand alone STEM program; a well resourced P.E. program; Performing Arts program with exceptional resourcing; faster WIFI and internet and constant new resourcing in our library and for our core curriculum areas.

Rosanna Golf Links PS makes every effort to keep the cost of items and activities to a minimum and affordable for all parents. Optional Items including a comprehensive Instrumental program, give our students access to high level content outside of the standard curriculum. The RGLPS School Council has made considerable effort to ensure that our fee structure is fair and provides a number of options to support parents to access the materials and services associated with their child's education.

This year we are acutely aware of the financial impact inflation and rising interest rates has had on families. As a result we have once again made a concerted effort to reduce the fees by minimising essential items as much as possible.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Kirrily Lamers

Principal
